Privacy Notification

Your privacy and security are our highest priority. Ensuring electronic access to state government information and services while maintaining privacy is a guiding principle of the state's [Direction of Enterprise Information Technology](#). The Commonwealth of Kentucky collects only the personal information necessary to provide enhanced services to our citizens and customers. Please note that all non-exempt information collected by Kentucky.gov services may be subject to public disclosure under [KRS 61.870, the Kentucky Open Records Act](#) [PDF].

However, public records containing information of a personal nature are protected from disclosure by the personal privacy exemption of state law. Personal data in our possession is maintained and used in ways that respect individual privacy. The Commonwealth educates our employees about the importance of protecting personal information and consumer privacy, and only authorized employees have access to personal information.

Depending on the situation, we may collect the following information about visitors to our Web site:

- the domain name, but not the e-mail address
- the e-mail addresses of those who communicate with us via e-mail
- aggregate information about which pages consumers access or visit
- information volunteered by the consumer, such as survey information

This information is used only to improve the scope and content of the state's online services.

Information Sharing

Kentucky.gov will not release personal information to third parties except where it is already provided by law for purposes of notification. We will not provide, rent or sell personal information to third parties for marketing programs or any other purpose. State law restricts the use of personally identifiable information for commercial purposes. Depending on the specific nature of the service, information may be shared with other state agencies as stated in [KRS 61.878 \(5\)](#) [PDF]. This statute allows for the exchange of public records or sharing of information between public agencies when the exchange is serving a legitimate governmental need or is necessary in the performance of a legitimate government function.
